

Knight Family Farm Newsletter – October 17, 2016

What is that sound??

This week's newsletter is a little different. I've been wanting to capture a certain farm sound for years and finally earlier this year my daughter Amy got it! I'm going to resist giving any hints though.

Here is the sound on Youtube, in a video format to make it easier to publish.

If you are on Facebook, it is here

So...The first person to correctly identify the sound and context, and **Like** Knight Family Farm KY on Facebook <https://www.facebook.com/KnightFamilyFarmky>, will get two of our amazingly tender and flavorful 100% grass-fed Filet Mignon steaks for free. The next 3 people will receive a free dozen of our better-than-free-range eggs.

Email your guess to info@knightfamilyfarm.com. If you don't use Facebook just tell me in the email and we'll still count it. Please do not post your guess on Facebook – it might give it away! The answer will be posted on Facebook and emailed this Wednesday, October 19. (You must live close enough for us to get it to you in person.)

Please send us any orders by Tuesday night, or very early Wednesday at the latest – preferably by 8:00 am. We will be at Gluten Free Miracles Wednesday from 2:30 – 3:30 and Mill Pond Chiropractic from 4:00 – 6:00. Delivery to Hamburg is available if you let us know ahead of time. Call if you have any questions. Let us know if you are interested in delivery to your home, work place or another location.

For the family,

Adrian
