

## Knight Family Farm Newsletter\* – December 12, 2016

---

### Buying a whole, side or quarter beef

We normally head into fall and winter with a pretty good “stockpile” of grass that grew late summer and fall. That allows us to graze the cattle on fresh, green grass well into winter and sometimes even into spring. In turn, that greatly reduces the cost of feeding hay.

We were blessed with plenty of rain the first part of the year, and we’re very thankful for that. But the late summer and fall drought has left us with much less grass than usual. As a result, we have decided to sell some of our beef in a larger quantity again – by the whole, side or quarter beef.

If you would like to know more about that let me know. Due to the butcher shortage, delivery wouldn’t be until mid January or so.

### What do you see?

My youngest daughter, Sarah, and I were taking a little “explore” walk on the back of one of our hills a while back and took this picture. Sarah had the idea of sending it in our newsletter, so it is attached to this email. If you look closely you can see a little surprise. You’ll probably need to zoom it in.

### Delivering to Lexington Wednesday

Please send us any orders by Tuesday night, or very early Wednesday at the latest – preferably by 8:00 am. We will be at Gluten Free Miracles Wednesday from 2:30 – 3:30 and Mill Pond Chiropractic from 4:00 – 6:00. Delivery to Hamburg is available if you let us know ahead of time. Call if you have any questions. Let us know if you are interested in delivery to your home, work place or another location.

For the family,

Adrian
